

GOVERNING POLICIES AND PROCEDURES

SECTION: I. GENERAL GOVERNING POLICIES AND PROCEDURES

SUBSECTION: I. Reservation of Powers

April 2002

I. Reservation of Powers

The Board expressly reserves to itself the power to act on its own initiative in all matters affecting the institutions, school or agencies. The Board is charged by law with full responsibility for governing the institutions, agencies and school under its jurisdiction. Although the Board properly and necessarily delegates certain authority to designated officers, it does not delegate its ultimate legal responsibility.
